### MEET THE CHEF!

Xavier came to The NEW Center in 2014 with extensive training from Le Cordon Bleu Institute of Culinary Arts under his belt. Prior to joining The NEW Center team, Xavier lead the Kitchen at Russo's Restaurant & Bacchus Lounge, which specializes in Creole and Italian Soul food. Xavier was also a chef at Cinderella's Royal Table at Walt Disney World Resort.

Cooking since he was just a young boy, Xavier has always had a passion for not only the act of cooking, but the way food brings people together in a peaceful way. Although he is fully able and talented at making a wide variety of dishes, Xavier's favorite types of food to make are Creole and Asian. He's constantly coming up with his own specials and altering them along the way to find new favorites.

In his years at The NEW Center, Xavier has enjoyed coming to work everyday and meeting people from all different walks of life and ethnicities. "It's a very friendly and versatile environment, and there's always something new and exciting going on," says Xavier.

Beyond cooking up delicious culinary creations, Xavier often works his magic outside the kitchen by sitting with customers and helping them plan their catered menus, especially with more complex or unique tastes in food. He's great at figuring out how to add a little flavor and fun to any event.
